

"It is self-evident that no number of men, by conspiring, and calling themselves a government, can acquire any rights whatever over other men, or other men's property, which they had not before, as individuals. And whenever any number of men, calling themselves a government, do anything to another man, or to his property, which they had no right to do as individuals, they thereby declare themselves trespassers, robbers, or murderers, according to the nature of their acts." -*Lysander Spooner*

The New World Order...In their own words

"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family traditions, national patriotism, and religious dogmas." - *Brock Adams, Director UN Health Organization*

"A world government can intervene militarily in the internal affairs of any nation when it disapproves of their activities." - *Kofi Annan, U.N. Secretary General*

"Today, America would be outraged if U.N. troops entered Los Angeles to restore order [referring to the 1991 LA Riot]. Tomorrow they will be grateful! This is especially true if they were told that there were an outside threat from beyond [i.e., an "extraterrestrial" invasion], whether real or *promulgated* [emphasis mine], that threatened our very existence. It is then that all peoples of the world will plead to deliver them from this evil. The one thing every man fears is the unknown. When presented with this *scenario*, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government." - *Dr. Henry Kissinger, Bilderberger Conference, Evians, France, 1991*

"The drive of the Rockefellers and their allies is to create a one-world government combining supercapitalism and Communism under the same tent, all under their control.... Do I mean conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent." - *Congressman Larry P. McDonald, 1976, killed in the Korean Airlines 747 that was shot down by the Soviets*

"We are grateful to The Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national autodetermination practiced in past centuries." - *David Rockefeller, founder of the Trilateral Commission, in an address to a meeting of The Trilateral Commission, in June, 1991.*

"The idea was that those who direct the overall conspiracy could use the differences in those two so-called ideologies [marxism/fascism/socialism v. democracy/capitalism] to enable them [the Illuminati] to divide larger and larger portions of the human race into opposing camps so that they could be armed and then brainwashed into fighting and destroying each other." - *Myron Fagan*

"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation." - *David Spangler, Director of Planetary Initiative, United Nations*

"In March, 1915, the J.P. Morgan interests, the steel, shipbuilding, and powder interest, and their subsidiary organizations, got together 12 men high up in the newspaper world and employed them to select the most influential newspapers in the United States and sufficient number of them to control generally the policy of the daily press....They found it was only necessary to purchase the control of 25 of the greatest papers.....An agreement was reached; the policy of the papers was bought, to be paid for by the month; an editor was furnished for each paper to properly supervise and edit information regarding the questions of preparedness, militarism, financial policies, and other things of national and international nature considered vital to the interests of the purchasers." - *U.S. Congressman Oscar Callaway, 1917*

"The world can therefore seize the opportunity [Persian Gulf crisis] to fulfill the long-held promise of a New World Order where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind." - *George Herbert Walker Bush*

"In the next century, nations as we know it will be obsolete; all states will recognize a single, global authority. National sovereignty wasn't such a great idea after all." - *Strobe Talbot, President Clinton's Deputy Secretary of State, as quoted in Time, July 20th, 1992.*

"We shall have world government whether or not you like it, by conquest or consent." - *Statement by Council on Foreign Relations (CFR) member James Warburg to The Senate Foreign Relations Committee on February 17th, 1950*

"The world is governed by very different personages from what is imagined by those who are not behind the scenes." - *Benjamin Disraeli, first Prime Minister of England, in a novel he published in 1844 called Coningsby, the New Generation*

"The governments of the present day have to deal not merely with other governments, with emperors, kings and ministers, but also with the secret societies which have everywhere their unscrupulous agents, and can at the last moment upset all the governments' plans. - *British Prime*

Minister Benjamin Disraeli, 1876

"Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the Field of commerce and manufacture, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it." - *Woodrow Wilson, The New Freedom (1913)*

"What is important is to dwell upon the increasing evidence of the existence of a secret conspiracy, throughout the world, for the destruction of organized government and the letting loose of evil." - *Christian Science Monitor editorial, June 19th, 1920*

"The real menace of our republic is this invisible government which like a giant octopus sprawls its slimy length over city, state and nation. Like the octopus of real life, it operates under cover of a self created screen....At the head of this octopus are the Rockefeller Standard Oil interests and a small group of powerful banking houses generally referred to as international bankers. The little coterie of powerful international bankers virtually run the United States government for their own selfish purposes. They practically control both political parties." - *New York City Mayor John F. Hylan, 1922*

"From the days of Spartacus, Wieskhopf, Karl Marx, Trotsky, Rosa Luxemburg, and Emma Goldman, this world conspiracy has been steadily growing. This conspiracy played a definite recognizable role in the tragedy of the French revolution. It has been the mainspring of every subversive movement during the 19th century. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their head and have become the undisputed masters of that enormous empire." - *Winston Churchill, stated to the London Press, in 1922.*

"We are at present working discreetly with all our might to wrest this mysterious force called sovereignty out of the clutches of the local nation states of the world." - *Professor Arnold Toynbee, in a June 1931 speech before the Institute for the Study of International Affairs in Copenhagen.*

"The government of the Western nations, whether monarchical or republican, had passed into the invisible hands of a plutocracy, international in power and grasp. It was, I venture to suggest, this semioccult power which....pushed the mass of the American people into the cauldron of World War I." - *British military historian MajorGeneral J.F.C. Fuller, 1941*

"For a long time I felt that FDR had developed many thoughts and ideas that were his own to benefit this country, the United States. But, he didn't. Most of his thoughts, his political

ammunition, as it were, were carefully manufactured for him in advanced by the Council on Foreign Relations-One World Money group. Brilliantly, with great gusto, like a fine piece of artillery, he exploded that prepared "ammunition" in the middle of an unsuspecting target, the American people, and thus paid off and returned his internationalist political support.

"The UN is but a long-range, international banking apparatus clearly set up for financial and economic profit by a small group of powerful One-World revolutionaries, hungry for profit and power.

"The depression was the calculated 'shearing' of the public by the World Money powers, triggered by the planned sudden shortage of supply of call money in the New York money market....The One World Government leaders and their ever close bankers have now acquired full control of the money and credit machinery of the U.S. via the creation of the privately owned Federal Reserve Bank." *Curtis Dall, FDR's son-in-law as quoted in his book, My Exploited Father-in-Law*

"The real truth of the matter is, as you and I know, that a financial element in the larger centers has owned the Government ever since the days of Andrew Jackson." - *A letter written by FDR to Colonel House, November 21st, 1933*

"The real rulers in Washington are invisible, and exercise power from behind the scenes." - *Supreme Court Justice Felix Frankfurter, 1952*

"Fifty men have run America, and that's a high figure." - *Joseph Kennedy, father of JFK, in the July 26th, 1936 issue of The New York Times.*

"Today the path of total dictatorship in the United States can be laid by strictly legal means, unseen and unheard by the Congress, the President, or the people. Outwardly we have a Constitutional government. We have operating within our government and political system, another body representing another form of government - a bureaucratic elite." - *Senator William Jenner, 1954*

"The case for government by elites is irrefutable" - *Senator William Fulbright, Former chairman of the US Senate Foreign Relations Committee, stated at a 1963 symposium entitled: The Elite and the Electorate - Is Government by the People Possible?*

"The Trilateral Commission is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateral Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power political, monetary, intellectual and ecclesiastical. What the Trilateral Commission intends is to create a worldwide economic power superior to the political

governments of the nationstates involved. As managers and creators of the system ,they will rule the future." - *U.S. Senator Barry Goldwater in his 1964 book: With No Apologies.*

"The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements, arrived at in frequent private meetings and conferences. The apex of the system was the Bank for International Settlements in Basle, Switzerland, a private bank owned and controlled by the worlds' central banks which were themselves private corporations. The growth of financial capitalism made possible a centralization of world economic control and use of this power for the direct benefit of financiers and the indirect injury of all other economic groups." - *Tragedy and Hope: A History of The World in Our Time (Macmillan Company, 1966,) Professor Carroll Quigley of Georgetown University, highly esteemed by his former student, William Jefferson Blythe Clinton.*

"The Council on Foreign Relations is "the establishment." Not only does it have influence and power in key decision-making positions at the highest levels of government to apply pressure from above, but it also announces and uses individuals and groups to bring pressure from below, to justify the high level decisions for converting the U.S. from a sovereign Constitutional Republic into a servile member state of a one-world dictatorship." - *Former Congressman John Rarick 1971*

"The directors of the CFR (Council on Foreign Relations) make up a sort of Presidium for that part of the Establishment that guides our destiny as a nation." - *The Christian Science Monitor, September 1, 1961*
